**Certification confirmation:**

The Engineering Test Institute, Public Enterprise, Heat and ecological equipment test station confirms hereby that the boiler **C1+, C2+, Compact C16 with oxygen controller, HO 300, HO 180, BioHeat 45** burning by wood pellets – C1 with automatic fuel supply, have been certified.

The certification procedure concerned was carried out to the extent of applicable requirements of ČSN EN 303-5:2013 including all safety tests, within the design implementation of the above stated boiler, which is designed to burn the wood pellets – C1 with automatic fuel supply.

Yours sincerely
